SCHOOLS' CHIEF ADMINISTRATOR'S MESSAGE

Welcome to the UniSA SADA Schools' Competition for 2017.

Debating is an important co-curricular activity that promotes the development of effective communication and analytical skills whilst improving students' ability to work in a team. It is fantastic that debating continues to develop and remains well supported in South Australia.

The SADA is grateful for the continued support of our major sponsor, the University of South Australia (UniSA). This relationship provides vital support to the SADA. We are pleased to be associated with one of the State's leading education institutions.

Below I have summarised some of the key points to note about the Schools' Competition in 2017.

1. Introduction of Prepared Topic into Senior A Grade

In 2017 we introduce a prepared topic for Round 1 of the Senior A Grade. The purpose of this change is to provide an opportunity for Senior A debaters to engage in research and analysis of more complex issues than those typically encountered in secret topic debates. The prepared topic round has deliberately been placed early in the season, to avoid overloading Year 11 and 12 students closer to exam times.

2. Scheduling and Forfeits

Following overwhelming positive feedback, the number of rounds remains unchanged from 2016. Each grade features five rounds, with all finals concluding before the end of term 3.

It is essential that school coordinators check this Program prior to round nights.

In particular, be aware that some Intermediate B debates are scheduled to commence at 6.30 pm and some Intermediate A debates at 7.30 pm.

Notification of forfeits is to occur by the relevant school coordinator of the forfeiting school filling out the official forfeit form on the SADA Website, <http://sada.org.au/competitions/forfeit-form/>.

3. Website

The SADA's website (www.sada.org.au) continues to be a central portal to facilitate the administration of the Schools' Competition. It should be used to access:

- all relevant Competition forms;
- the SADA's extensive range of free education resources and information about the SADA's education programs;
- the live ladder for teams to view their progress throughout the year;
- general competition information; and
- the forfeit form.

Please consult www.sada.org.au/competitions/schools-competition-information/ for the rules and policies that apply to the Competition (no longer printed in the Program).

4. Zones

The 2017 Competition has been divided into two zones. Every effort has been made to ensure all teams from a school remain in one zone and to minimise the number of times a team debates another team from the same school.

5. Contacts

The Schools' Chief Administrator is responsible for the management of the Schools' Competition. This will be my first year as Schools' Chief Administrator, after having been a Zone Steward in 2016.

Each zone is managed by a Zone Steward, who ensures each round night runs smoothly. This year I welcome two new Zone Stewards to the SADA Executive: Alexander Lai De Oliveira and Alexei Economou, both of whom debated in the 2016 State Team as Year 12 students. They are the primary contacts for hosting arrangements and forfeit notification. Please do not hesitate to contact them in relation to the running of debates in your zone.

I am confident 2017 will present another promising year for the SADA and our schools. I look forward to meeting coordinators and working closely with schools to ensure another successful SADA season.
