SCHOOLS' COMPETITION

2018 PROGRAM

SCHOOLS' CHIEF ADMINISTRATOR'S MESSAGE

Welcome to the SADA Schools' Competition for 2018.

Debating is an important co-curricular activity that promotes the development of effective communication and analytical skills whilst improving students' ability to work in a team. It is fantastic that debating continues to develop and remains well supported in South Australia.

Below I have summarised some of the key points to note about the Schools' Competition in 2018.

1. The Number of Rounds, Postponements and Forfeits

In 2018, there will be 5 rounds of debating, with finals concluding before the end of term 3.

The process for notification of forfeits is to occur by the relevant school coordinator of the forfeiting school filling out the official forfeit form on the SADA Website. For further information regarding the forfeit system, please refer to section 8 of the SADA Rules.

2. Website

The SADA's website (www.sada.org.au) continues to be a central portal to facilitate the administration of the Schools' Competition. It should be used to access:

- a) all relevant Competition forms;
- b) the SADA's extensive range of free education resources and information about the SADA's education programs;
- c) the live ladder for teams to view their progress throughout the year;
- d) general competition information; and
- e) the forfeit form.

3. Zones

The 2018 Competition has been divided into 2 zones. Every effort has been made to ensure all teams from a school remain in one zone.

4. Contacts

The Schools' Chief Administrator directs the management of the Schools' Competition. This will be my second year as Schools' Chief Administrator, and third on the SADA Executive.

Each zone is managed by a Zone Steward, who ensures each round night runs smoothly. For 2018, the Zone Stewards are Alexander De Oliveira, Maddie McNeil and Laura Hanlon. They will be the primary contacts for hosting arrangements and forfeit notification. Please do not hesitate to contact them in relation to the running of debates in your zone.

Together, the Zone Stewards and I will be responsible for the management of the Schools' Competition. I welcome you to contact me directly or through the Zone Steward for any Competition queries or feedback.

I am confident 2018 will present another promising year for the SADA and our schools. I look forward to meeting coordinators and working closely with schools to ensure another successful SADA season.

Alexandra Lowe
